a history of african americans from the origins of slavery in the colonies to the present day with reproductions of many illustrations

photographs and historical documents

this is the initial volume of a comprehensive history that traces the presidential line of the washingtons volume one begins with the immigrant john washington who settled in westmoreland co va in 1657 married anne pope and was the great grandfather of president george washington this volume continues the story of john and anne s family for a total of seven generations collecting over 5 000 direct descendants future volumes will trace eight more generations with a total of over 63 000 descendants although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives these in turn strive to convey the greatness of the family that produced not only the father of his country but many others great and humble who struggled to build that country the washingtons includes the time honored john wright line which in recent years has been challenged largely on the basis of dna evidence volumes one and two will form a set with a cumulative bibliography appearing at the end of volume 2 volume two will highlight the most notable descendants and spouses from the later volumes including such luminaries as general george s patton the author shelby foote and the actor lee marvin all of the volumes now estimated at fourteen in all are virtually complete and are scheduled for release over the course of the next year

anchored in historical pragmatics historical sociolinguistics and corpus linguistics this book weaves together a powerful narrative of the significance of stance marking in the history of english focusing on the community of practice that developed during the witch trials in salem massachusetts in 1692 1693 it showcases how witnesses and the recorders of their ca 450 depositions deployed linguistic features to signal the evaluation of experiences with alleged witchcraft the intensification of those experiences and the sources of the witnesses knowledge the resulting stance profiles for groups of depositions witnesses and recorders highlight varying strategies of claiming supporting and boosting the importance of the evidence and the role of the witnesses within the community of practice with its innovative focus on sociopragmatic variation in a historical community the book demonstrates the essential contribution of synchronic historical research to the analysis description and theorization of stance and historical english more broadly
