the subject of the return of jesus has fueled speculation ever since he left when is he coming will we know when he is about to return are the things happening in our world today signs of the times what does the book of revelation say about the return of jesus and what about the nation of israel what role do they play in end times scenarios mike reed attempts to address these and other questions about christ s return in this book for the average person and even for those who have studied the topic for awhile the subject of christ s return can be overwhelming in this book the author will attempt to guide the reader into an understanding of the return of christ first based upon what jesus said about it and then looking at what the apostles and prophets have said the basis for the confusion on the subject is because most authors have not followed that sequence this is a book written for laymen it attempts to utilize good scholarship but it is written for the nonacademic follower of jesus who wants to understand what our lord said about this most important topic the book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture
